

## Maritime Job Opportunity

Matau-Marine GmbH is a premium maritime supplier for optimized solutions and services located in the Hanseatic City of Bremen.

**To strengthen our team**, we are starting to offer opportunities for nautical students in the field of our maritime services.

### Career Job Description – September 2020

#### Task:

- Project based nautical related tasks to be conducted in home office.
- General support duties on demand in our office in Bremen-Nord or in home-office as applicable.

#### Qualification:

- ✓ Excellent English proficiency
- ✓ Good knowledge of bridge watch procedures and GMDSS radio qualification
- ✓ Minimum 1 practical term as nautical cadet on-board with foreign crew required – additional experience beneficial
- ✓ Tanker background beneficial
- ✓ Other language skills highly beneficial

#### Payment:

- Competitive payment per hour as per German “Mini-Job” regulation.

### Bachelor Thesis

Also, several subjects of our navigational services do require scientific research, which could be handled in way of a bachelor thesis in the near future.

If you are interested, please send in a short CV including shipboard experience and last interim credit summary by mail to [management@matau-marine.com](mailto:management@matau-marine.com).
